Welcome to
FetalBasicon 2025

Dear Colleagues,

The Annual International Congress of the **Society of Fetal Medicine 2025** will take a "back-to-basics" approach. This year's event will focus on core principles, featuring protocols, checklists, and standardized reporting formats. It will also include live demonstrations, interactive audience sessions, and presentations from emerging researchers and faculty members. This is a congress you simply cannot afford to miss.

We are honored to announce **Dr. Rabih Chaoui** as our principal faculty member. Join us for an unparalleled opportunity to unlearn outdated practices, relearn foundational concepts, and reaffirm your expertise in fetal medicine. A truly one-of-a-kind experience awaits you.
